Sewing

Re measure your focus fabric. It should measure 32"x 42".

Make sure to measure so you can have a nice flat quilt.

Sew all of the strips for the 1st border. Sew the 1st border according to your focus measurements. Press toward border.

Sew all the 2nd border strips together. Measure the quilt top and cut to those measurements. Press toward the border.

Repeat for the outer border.

Quilt, bind and enjoy.
